

Pupil Premium Policy

Saffron Valley Collegiate

Last reviewed: 20.11.19

To be reviewed: Autumn 2020

Mission Statement

The Saffron Valley Collegiate seeks to provide a personalised educational experience that identifies and responds to the circumstances and needs of each individual child or young person. In doing so it enables them to progress academically and become successful learners through the re-engagement of the young person with education

EQUALITIES STATEMENT:

All who work at the Saffron Valley Collegiate are committed to the celebration of diversity, and the challenging of disadvantage and discrimination, in all of its forms.

These values are explicit to the ethos of the Saffron Valley Collegiate and implicit in all policies and practices.

OVERVIEW

The Pupil Premium was introduced in April 2011, and paid by means of a specific grant based on census figures for students registered as eligible for FSM in reception to Year 11. For looked after children the Pupil Premium was calculated using the Children Looked After data returns (SSDA903). A premium was introduced for children whose parents are currently serving in the armed forces. This service premium is designed to address the emotional and social well-being of these students.

The Pupil Premium is additional to main PRU funding and it will be used to address any underlying inequalities between children eligible, by ensuring that funding reaches the students who need it most.

OBJECTIVES

- The Pupil Premium will be used to provide additional educational support to improve the progress and to raise the standard of achievement for these students;
- The funding will be used to narrow and close the gap between the achievement of these students and their peers;
- As far as its powers allow, the PRU will use the additional funding to address any underlying inequalities between children eligible for Pupil Premium and others;
- We will ensure that the additional funding reaches the students who need it most and that it makes a significant impact on their education and lives.

STRATEGIES

The PRU will develop a strategy, with identified priorities based on the most pressing presenting needs of the current pupil cohort. The strategy will allow the PRU to delegate funding in such a way that it will maximise the likelihood of impact on pupil outcomes.

- Pupil Premium will be clearly identifiable within the budget;
- The Headteacher, in consultation with the Management Committee and staff, will decide how the Pupil Premium is spent for the benefit of entitled students;
- The PRU will assess what additional provision should be made for the individual students;
- The PRU will be accountable for how it has used the additional funding to support the achievement of those students covered by the Pupil Premium and the Head teacher will report to the management committee and parents on how effective the intervention has been in achieving its aims;
- We will publish online information about how we have used the Premium;
- We will ensure that parents, management committee and others are made fully aware of the attainment of students covered by the premium;

- We will seek to further develop strategies and interventions which can improve the progress and attainment of these students;
- We will track the impact of the strategies put into place through the funding to ensure that we can show the value that has been added to the education of the entitled children;
- We will monitor, evaluate and review the success of the impact of the pupil premium funding.

OUTCOMES:

This policy will play an important part in the educational development of the individual students who are entitled to the Pupil Premium.

We will ensure that these students are treated equally and as favourably as others, and that the additional funding is used well to address the challenges they face. The PRU will use the additional funding to promote the achievement and progress of all entitled students. Through wise use of this additional funding we are fully committed to ensuring that the individual needs of each entitled child are met. As a result of the additional funding, these children will make better progress and achieve higher standards that would have been likely without it.
