

P4YE

Project 4 Youth Empowerment (P4YE) is a Community Interest Company based in Croydon and surrounding boroughs that provides 1:1 and Group Mentoring, Friday and Saturday Youth Clubs, and delivers workshops in Schools, Alternative Provisions, Colleges and Universities to young people aged 11-18.

We are **committed** to providing **young people** with **safe spaces** for them to **express themselves, meet new people in a social environment**, whilst **leading** them towards positive **opportunities**. We are **passionate** and **dedicated** about making a change in the community.

We also support young people 16+ who are **seeking employability, education and training**.

We have a proven track record of providing young people with a pathway into training and direct **employment** - please contact us for more information.

We partner with many other organisations in the area working tirelessly to support young people and families. Please see their details in this leaflet.

WHAT IS THE P4YE SESSION?

Each Friday and Saturday we will be delivering sessions in our Active Community Hub:
Centrale Shopping Centre - Upper Mall Opposite H&M

Friday 3pm - 6pm
Saturday 1pm - 4pm

During holiday periods we typically deliver holiday activity programs throughout the week, instead of the usual Friday & Saturday sessions. Please contact us for more info.

In our Activity Hub, we engage in a range of activities such as:

Table Tennis
PS5 Tournaments
Podcasting
DJ'ing
Fun & Games

Our sponsorship with **Nike** gives us the opportunity to reward the young people with weekly prizes for their positive engagement.

We will continue to provide young people, parents and families with as many activities as possible. Please go to our website to find out more about our **Membership** opportunities so that the young people we work with learn to **thrive rather than simply survive!**
