Alternative Learning Trust Board of Trustees (the Trust Board)

Trustees are responsible for the general control and management of the Trust and, in accordance with the provisions set out in the Articles of Association and its Funding Agreement, are legally accountable for all statutory functions and for the performance of all schools within the trust: they do this by carrying out the core governance functions. Trustees delegate some governance functions to Trust Board committees and Local Governing Bodies through this scheme of delegation.

In order to maintain robust financial oversight of the Trust, the Trust Board and committee structure will be reviewed annually.

Local Governors (Local Governing Body/LGB)

Local Governing Bodies are close to, and representative of, the communities their schools serve. They are:

- A valued point of consultation and representation in policy development.
- The recipients of detailed information about how their schools are being managed.
- Tasked with scrutinising management information thus providing assurance to Trustees that their school is:
 - operating within the ethos and values of the Trust and creating a positive climate for all stakeholders
 - working within agreed policies
 - meeting the agreed targets
 - strategic engagement with stakeholders
 - acting as an ambassador for the Trust

The Trust Board will ensure effective channels of communication between Trustees and Local Governing Bodies, as well as providing specific training and development programmes for all involved in the governance of the Alternative Learning Trust.

Audit, Risk and Finance Committee (ARF Committee)

- The ARF Committee will provide assurance to the Board over the suitability of, and compliance with, financial systems, operational controls and ensure risks are adequately identified and managed.
- The ARF Committee will work with the auditor and decide on the auditor's suitability.
- The ARF Committee directs the Trust's programme of internal scrutiny and reports back to the Trust Board.
- The ARF Committee considers individual schools within the MAT, in addition to the Trust as a whole.
- The ARF Committee ensures delegated financial authorities are complied with.
- Staff are not permitted to sit on the Audit Committee.

Governance and Growth Committee

- Review and approval of governance arrangements.
- Appointment of Trustees, Chair and Vice Chair of Trustees, committee Chairs and individuals who sit on committees and Local Governing Bodies.
- Due diligence of growth process and estates/premises management.
- Presentation of recommendations to the Trust Board to inform and ensure the robustness of key decisions.

Schools' Performance Committee

- Monitoring of students' achievement and attainment.
- Oversight and analysis of examination results and progress with reference to year cohorts and to different groups (e.g. SEND, gender, ethnicity, Pupil Premium) over time.
- Monitoring of School Development Plans, curriculum and timetabling priorities.
- Making recommendations to the Trust Board regarding policy change.

People Committee

- Oversight of matters relating to the Trust's Human Resources (HR) functions, remuneration, executive pay and staff wellbeing.
- Strategic scrutiny of the Trust's performance management framework.
- Monitoring of complaints in line with the Complaints Policy.
- Review of the Trust's HR policies prior to ratification by the Trust Board.

OVERARCHING PRINCIPLES

1. The Board and Local Governing Bodies (LGBs) will work collaboratively and in partnership at all times, establishing effective two-way communication channels.
2. The Board will make decisions, following consultation with LGBs, on matters which affect all academies in the Trust: LGBs will make decisions which affect individual academies.
3. LGBs and Headteachers/Heads of Schools within the Trust should be as autonomous as possible and have as much freedom as possible.
4. LGBs and Headteachers/Heads of Schools will have maximum delegation of responsibility and decision making for the strategic direction and day-to-day operation of their academies, unless there is a cause for concern.

IMPLEMENTING PRINCIPLES

1. The Board will consult LGBs on proposals for the composition, membership, structure, and terms of reference for LGBs and sub-committees; on arrangements for the recruitment and appointment of governors; and on arrangements for the introduction of the Trust's multi-academy governance arrangements, before any decisions are made.
2. The Board will fully consult LGBs before putting in place any arrangements which directly affect LGBs and individual academies and before taking any decisions on policy or procedural matters.
3. LGBs will report termly, or as required, to the Board and will make available all relevant data and information on performance.
4. LGB Link Trustees will meet with Chairs of LGBs bi-annually to ensure effective two-way communication.
5. The length of service for Governors on LGBs is the same as the Articles of Association's requirement for Trustees' length of service. The LGBs' Code of Conduct will ensure there is good succession planning. All joining schools will be supported to undertake a review of their existing governance arrangements as part of the due diligence process. Each LGB Chair and Vice Chair is approved annually by the Trust Board.
6. The Board will put in place effective arrangements for monitoring and evaluating the performance of LGBs. The Board will take action, including the full or partial withdrawal of delegated authorities to LGBs, should they fail to carry out their duties and responsibilities effectively.
7. The Governors of good or outstanding schools/academies joining the Trust may possibly remain unchanged, except for where changes are required in order to comply with the Trust Board's Terms of Reference for LGBs.
8. The governance arrangements of schools requiring improvement when joining the Trust will be evaluated, supported and reorganised on an individual basis, taking into account the Ofsted improvement plan and the Trust's due diligence reports and assessments.
